Dear Barbara:

Enclosed please find for your review, a copy of the draft Proposed Plan for the VB/I-70 Site Residential Soils Operable Unit. EPA requests comments from the Colorado Department of Public Health and Environment (CDPHE) by February 1, 2002 in order to meet the schedule for public release of the document. EPA is planning to release the final Proposed Plan before the public meetings hosted by ATSDR in which EPA and CDPHE will participate beginning March 7, 2002.

If I can answer any questions during your review, please don't hesitate to contact me. The best way to reach me is by email at [lavelle.bonita@epamail.epa.gov](mailto:lavelle.bonita@epamail.epa.gov).

Sincerely,

Bonnie Lavelle
